

ORAL HEALTH SCREENING RESULTS

Dear Parent/Guardian:

Your child _____ has been screened for dental needs by _____ . An Oral Health Screening is not a dental examination, but serves as a way to determine the urgency of the need to visit your family dentist. It was found that:

_____ **Emergency** dental care is recommended. Your child needs immediate dental treatment.

_____ **Early** dental care is recommended. Your child needs to have a complete dental exam as soon as possible.

_____ **Routine** dental care is recommended. Please continue to see your family dentist on a regular basis.
